**OUR MISSION IS TO
BUILD A LEGACY OF
EXCELLENCE AND
CREATE VALUE FOR
OUR CLIENTS”**

About.

As a 100% black-owned and managed construction company with over 20 years of industry experience, we at **Build World Construction & Projects** have built a solid reputation for delivering on-budget, high-quality building solutions that not only meet but exceed the expectations of our clients. Our commitment to excellence is at the heart of everything we do.

Join Us in Building a Better Future

At Build World, we invite you to join us in our mission to build a better future and communities through construction excellence. Whether you're looking for a partner to help bring your vision to life or a trusted advisor to guide you through the complexities of your next project, we are here to support you every step of the way.

Mission

Our mission is to build a legacy of excellence and create value for our clients. We are dedicated to delivering top-tier construction projects that are cost-effective construction, focus on quality, and efficacy, we aim to be a catalyst for economic growth and community development.

Vision

To be recognised as a significant and highly competitive player in the construction industry of South Africa. To ensure our long term future by:

- Serving the best interest of our clients and exceeding their expectations.
- Create a safe construction working environment for our people.
- To impart knowledge and skills to future generations by giving them opportunities in the construction industry.

Services.

We recognise that each project is unique, with its own set of challenges and opportunities. That is why we offer tailored construction solutions designed to meet the specific needs of each of our individual clients. Whether you are an homeowner, business owner, director, project manager, site manager, or construction manager, we work closely with you to understand your vision and deliver results that align with your goals.

OUR SERVICES INCLUDE: RESIDENTIAL AND COMMERCIAL CONSTRUCTION, RENOVATIONS AND PROJECT MANAGEMENT

Project planning and Implementation: We create detailed project roadmaps, including timeline, budget, and resources, and oversee execution to meet all specifications and deadlines.

Building and Construction: Comprehensive construction services for residential and commercial projects, delivering quality and excellence from start to finish.

Architectural Plans and Council Approval: When erecting or making alterations to any building, we provide council registration and approval services.

Civil and Earthworks: We are leading providers of civil and bulk earthworks in the property development sector.

Renovations: Expert renovation and remodelling solutions to transform and enhance existing spaces, tailored to your specific needs and vision.

Project Management: With expertise in project management clients have peace of mind knowing that each project is handled professionally and completed.

Differentiators.

01 PROFESSIONALISM

COMMITMENT TO QUALITY AND PROFESSIONALISM

At Build World, quality is non-negotiable. We leverage the latest and best construction techniques and methodologies to ensure that every project we undertake is completed to the highest standards at the most cost-effective. Our team of experienced professionals brings technical expertise and professionalism to each project, ensuring that our solutions are both effective and cost-effective.

02 EXCELLENCE

A TRACK RECORD OF EXCELLENCE

With over two decades of experience in the construction industry, we have successfully completed numerous projects ranging from residential developments to large-scale commercial and industrial constructions. Our projects portfolio showcases a blend of technical proficiency and professional workmanship, reflecting our ability to deliver quality projects on time and within budget.

03 EMPOWERMENT

EMPOWERING COMMUNITIES THROUGH CONSTRUCTION

As an employer of several staff, we understand the unique challenges faced by many communities and are committed to making a positive impact by giving opportunities, knowledge and skills development to our staff and many deserving candidates. We aim to empower local economies, create jobs, and foster sustainable growth.
